ITALIAN LITE STORY

Gr 490

IMPORTANT FACTS CONCERNING OUR FABULOUS ITALIAN LITES

Created by Italy's leading manufacturer with the best of raw material, such as extra heavy wire, heat resistant plastic, and combined with the finest craftsmanship.
Exclusive features used in manufacturing our sets *patented in Italy and only available at Frankel.

- 1—Each bulb constructed with a built-in conductor enabling each bulb to function individually. If one or more are defective the set still functions.
- 2—Each set has been tested before shipping and is in perfect working order. Occasionally, in shipping, jarring can make a set defective. Any set which does not function in the original box can be returned for exchange. Sets which do not function and have been removed from the box can be returned for repair only.

Choice of 30 designs—the largest selection in America.

Because of the exceptional quality bulbs used (Phillips Bulbs) our sets have illumination of superior brilliancy.

Ingeniously packaged in a most attractive window container.
